Sales tax should be charged on all retail sales of tangible personal property, including day-to-day equipment rentals and leases. Some services, such as cable television, telephone, gas, and electric are also taxable.

Use tax is the reciprocal of sales tax. Use tax applies to all materials and equipment purchased for use in your business. This equipment and materials are not for resale and must not have had any other city's tax applied at the time of purchase. Verify the tax you pay to any vendor when purchasing materials and equipment to assure you are not over paying your taxes.

Admissions tax is usually charged for the admission into an event, such as a nightclub or theater.

Accommodations tax is charged for the use of a hotel/motel room for thirty (30) days or less.

Tax returns are due on the 20th of each month following your report period. If the 20th falls on a city holiday or on a weekend, the following business day is the due date. A tax return must be filed, even if taxes are not due.
